## 3 Pamphlet

“For you to go down your own path” (Hiroshima University)

A pamphlet that includes basic understandings about gender equality was created for the incoming students at Hiroshima University with the aim of introducing the current state of gender equality in Japan, the approaches taken by Hiroshima University, and the university's graduates who have entered society as professionals and are now pursuing their own paths.

“*C Jounetsu no Ondo*” (Mazda Motor Corporation )

A pamphlet for women in science was produced entitled “*C Jounetsu no Ondo*” based on 6 exemplary women.
