The Japanese version is the authoritative version, and this English translation is intended for reference purposes only. Should any discrepancies or doubt arise between the two versions, the Japanese version will prevail.

FY2024 Career Advancement Project (CAP) Researcher Application Guidelines

1. Purpose

The purpose of this call for applications is to employ an excellent female researcher who, having already received a Ph.D., wishes to restart their research career after having had to stop for a certain period of time due to life events or employment issues, as a Career Advancement Project Researcher (hereinafter referred to as “CAP Researcher”). The purpose’s key aim is to promote the resumption of research activities and career development of female researchers whose careers have been postponed, and to nurture them as researchers who can be active in diverse areas of society, such as in education, research institutions or industry.

2. Number of positions

Several.

3. Term of employment

April 1, 2024 to March 31, 2025 (no renewal planned).

4. Affiliation and duties

The researcher will be affiliated with the graduate school to which her academic supervisor is assigned to, and will carry out the research work described in her Annual Research Plan (9. Application documents (Form 6)).

5. Eligibility

Applicants must satisfy **all** of the following eligibility requirements.

- (1) Female researchers who are in possession of one or more Ph.D. degrees as of application.
- (2) Not engaged in a research career for a certain period of time as of application due to childbirth, childcare, caregiving, or employment-related reasons, or not engaged in a full-time research career for a certain period of time after obtaining a Ph.D. (i.e. working as a part-time researcher, etc.)
- (3) Not employed full-time as of hiring by Hiroshima University (the University).
- (4) Possess a prospective academic supervisor at the University.
- (5) Have not been employed in this CAP Researcher position (full-time or part-time) in the past.

6. Work hours

7 hours 45 minutes per day, 5 days per week (38 hours 45 minutes per week).

Work days/hours: Mon – Fri 8:30 – 17:15 (Lunch break 12:00 – 13:00).

Days off: In principle, Saturdays, Sundays, public holidays and the New Year’s holiday period (December 29 – January 3).

If an application of the discretionary work system for professional work is agreed upon, work hours will be considered 7 hours 45 minutes per day, or 38 hours 45 minutes per week.

7. Salary and benefits

Based on Hiroshima University's Regulations for Appointment, Removal, Salaries, Working Hours, Time-off and Leave of Contracted Teaching and Research-Related Employees
