

## Frequently Asked Questions regarding applications for CAP Researcher positions

(About applications for the full-time and part-time CAP Researcher positions)

No.	Question	Answer
1	I am thinking about applying for the post of CAP Researcher, but I am also interested in applying for other jobs. Can I apply for this post and other jobs at the same time?	Yes, you can. You are free to apply for the post of CAP Researcher and continue applying for other jobs at the same time.
2	Regarding the Letter of Consent, who does the “dean of the Graduate School” refer to?	The dean in the Letter of Consent is the dean of the Graduate School or Center or Institute which your academic supervisor belongs to. In the case of a Graduate School, this corresponds to the dean of either one of the current four graduate schools,  i.e. Graduate School of Humanities and Social Sciences, Graduate School of Advanced Science and Engineering, Graduate School of Integrated Sciences for Life, Graduate School of Biomedical and Health Sciences.  In the case of Center: the Director of the center In the case of Institute: the Director of the institute  Please request the support office of your Graduate School/Center/Institute to put the seal of the Dean on the Letter of Consent.
3	Can foreign national applicants and/or those who are not good at writing in Japanese submit the “Letter of Recommendation” and “Letter of Consent” documents in Japanese and the other forms in English?	With respect to all the application documents (form 1 to form 6), either one of Japanese or English is acceptable.
